BRIEF: This is the first public hearing to abandon a portion of excess City right-of-way.

COMMENTS: **ABANDONMENTS (0901) ORDINANCE NO. 2001.33** This is the first public hearing to abandon a portion of excess City right of way (old First Street) east of Priest Drive, within the Northwest Quarter of Section 16, Township 1 North, Range 4 East, Maricopa County, Arizona.

Document Name: (20011101PWDR05) Supporting Documents: Yes

SUMMARY: Staff is recommending City Council abandon a portion of First Street, east of Priest Drive. First Street was re-routed to intersect with Rio Salado Parkway, thus causing the requested abandoned parcel to have no further public use. The City of Tempe will be retaining an easement for all existing utilities (both public and private) to be maintained within the portion of right of way to be abandoned. The adjacent property owners requested the abandonment and have agreed to compensate the City in exchange for the abandonment. The compensation will represent 50% of the fee value due to the encumbrances of the existing utilities and the easement to be reserved. The adjacent property owners will compensate the City based on \$4.00 per square foot for the 30,213 square foot area to be abandoned. The total amount of compensation is \$120,852.00. Staff supports the abandonment.

RECOMMENDATION:

That the City Council hold a public hearing and adopt Ordinance No. 2001.33 and authorize the Mayor to execute any necessary documents.

Approved by: Glenn Kephart, Public Works Manager
